THE CAMBRIDGE CLASSIC CAR RUN

We are again privileged to have the use of The Imperial War Museum at Duxford as our base for the 8th running of the of the Cambridge Car Club's Classic run. We will start and finish at Duxford where we will be given a parking area adjacent to the static aircraft display, and where there will be a club presence all day.

The event will be held on 14 April 2019. On leaving the start, participants will follow a scenic circular route of approximately 80 miles on quiet roads through Cambridgeshire and neighbouring counties. A shorter route will be available for anyone wishing to do less miles and return to the museum earlier.

After completing the tour, participants will have full access to the museum on their return to Duxford.

The route will be defined by tulip diagrams printed in the road book. Help will be on hand to assist any participant who is new to this type of navigation.

Whist most of the vehicles taking part are classic touring or sporting cars, we are happy to consider other cars that might be considered of special interest.

The entry fee is £59.00 per car with two occupants. An additional fee of £21 will be charged for each additional passenger to cover the cost of entry to the venues. A road book, numbered rally plate and any other documentation will be handed to participants at signing on.

From the surplus funds arising from the event, we expect to be able to make a generous donation to St Nicholas Hospice Care in Bury St Edmunds.
